Additional comments from parents/carers

My child seems to be happy and is enjoying Y10.  
She is expected to achieve and is being pushed to do so.

My child is happy every day and enjoys going to school. He takes an interest in mostly all of his subjects and enjoys learning new things.

Our daughter is doing well in all subject areas; we are pleased with all the feedback we received.

We have been super pleased with JTHS right from my son starting there, he has thrived at JTHS and we could not be more pleased I have found all of the teachers and Senior Leadership to be of the highest standards at JTHS to be superb. Teaching and opportunities are great.

My son enjoys school and that says a lot.

There are several teachers that we really felt knew our daughter incredibly well and were clear about any improvements she needs to make. We had an issue earlier this year with another pupil - this was dealt with incredibly well by Mr Thompson and Miss Starkie checked at parents evening that this was resolved. This made us feel like staff were really looking out for her.

The SENCO team at JTHS have been very supportive in mental health issues during school time and it is much appreciated.
