

Will I get lost?

JTHS is a big site, but do not worry once you get here we will give you a map and during your first 2 weeks we will have lots of student leaders and staff around to help you get to where you need to be! You would be surprised how quickly our new students get used to their timetable and the rooms they need to be in. Should it take you a little longer, don't worry, other students and all staff will be there to help you find your way.
